

TRADING HUB

Senior In-house Counsel role (fixed term contract maternity cover) with highly successful FinTech company, based in London, EC2.

The company

TradingHub is a rapidly expanding FinTech and Software-as-a-Service (SaaS) company based in Broadgate Tower, EC2. We also have offices in New York, Denver and Hong Kong.

We build, provide, and maintain cutting-edge trade analysis software for global banks, hedge funds, and asset managers. Our web-based platform relies on advanced analytics that are constantly being improved and expanded on. Current products include:

- insider trading and market abuse detection,
- rogue trader detection,
- trader performance profiling and development, and
- best execution analysis.

Our products are market-leading in each category.

We are a friendly, hard-working, and dynamic group of people. Every employee has a meaningful impact on TradingHub's future, making it an exciting and rewarding company to be part of.

Legal sits alongside the business and has daily direct communication with the CEO and COO and all parts of the company.

The Position

We are looking for an excellent senior lawyer to join our high-calibre legal team (currently three lawyers and one paralegal) on a fixed term contract maternity cover basis working 4 or 5 days a week. There will be a few months overlap at the start of the contract. The team is currently very busy so the Company is keen for the candidate to start as soon as possible but can be flexible.

The work will involve managing the company's legal relationships with clients, drafting and negotiating contracts with tier 1 banks and advising the company on a broad range of general legal matters including data protection, supplier arrangements and internal corporate governance.

Requirements

- willingness to take ownership of workstreams and provide practical and commercially-focussed advice;
- excellent commercial acumen and attention to detail, easily spotting key points for the company and identifying risks;

- confidence to negotiate contracts with major international institutions (including on all party calls);
- excellent communication skills and drafting skills;
- strong organisational skills and the ability to multi-task, prioritise and delegate as appropriate; and
- friendly and personable team player able to work effectively with all parts of the business.

The position offers high quality, interesting work in a collaborative and supportive environment with work-life balance.

Experience

Minimum 6 years PQE in Commercial, TMT, Corporate or Finance. Knowledge of data protection issues and related company policies and processes. Some experience in-house (including through a client secondment) is preferable.

Salary and benefits package will be competitive and based on experience level.

If this is of interest to you please send a covering letter and a cv to careers@tradinghub.com.

TradingHub is committed to providing equal opportunities and supporting diversity in employment. Diverse teams really are the best teams.
